

2022 SC REALTORS® PRIMARY ELECTION

VOTER GUIDE

SC PRIMARIES ARE JUNE 14, 2022

How Does SC RPAC Choose Which Candidates to Support?

- ✓ Local associations interview candidates for the SC Statehouse, review their positions on issues related to real estate and their voting record, if applicable. Local boards will then make a recommendation based on these factors and forward it along to the SC RPAC Trustees.
- ✓ The SCR PAC Trustees review local board candidate recommendations. Additional research and polling may be conducted when appropriate and final recommendations are discussed and voted on by the Trustees.
- ✓ Approved candidates are then supported with a direct contribution to their campaign if accepted by the candidate.
- ✓ Candidates for statewide offices are interviewed by the SCR Candidate Screening Committee. Recommendations from the committee are reviewed and approved by the SCR Board of Trustees.
- ✓ Endorsed candidates for US Congress are selected by the National Association of REALTORS® RPAC committee.
